

The Strategy Hub Dashboard

The Strategy Hub Dashboard

The Strategy Hub dashboard serves as your centralized workspace for managing tasks, problems, ideas, and notes. It provides a high-level view of your active boards and tracks real-time progress across key workflow segments.

Overview Cards

The top metric cards show the total number of active tracking boards within each core strategic category:

- **Tasks:** Displays the total number of task boards active in your workspace (e.g., 4 boards).
 - **Problems:** Tracks active issue or bug logging boards (e.g., 1 boards).
 - **Thoughts:** Aggregates brainstorming, ideas, and strategic thoughts (e.g., 1 boards).
 - **Relationships:** Manages network, partner, or team connection boards (e.g., 1 boards).
 - **Mindmaps:** Provides quick access to visual brainstorming or mind mapping workspaces (e.g., 1 boards).
 - **Notes:** Collects knowledge base and documentation folders (e.g., 1 boards).
-

Dashboard Trackers & Widgets

The lower half of the dashboard features dedicated summary panels to track your items and jump directly into deep-dive views:

Tasks Panel

This section helps you track your tasks and deadlines.

- **Progress Bar:** Displays a total visual percentage completion rate of your combined task workload.
- **In Progress:** Counts active tasks currently being worked on.
- **Upcoming:** Lists scheduled or future action items.
- **Overdue:** High-priority alert counting tasks that have passed their set deadlines.
- **View all:** Click the blue [View all](#) → link to manage your complete task records.

Problems Panel

A dedicated tracking area to monitor workspace bugs and issues.

- **Log a Problem:** If no items are listed, click the blue [Log a Problem](#) button to record a new bug or block.

- View all: Click the blue View all → link to navigate directly to the dedicated Problems module.

Notes Panel

Acts as your personal knowledge base framework directly on the main dashboard layout.

- Quick Access Blocks: Lists your recent documents, displaying individual row titles and their last updated relative timestamp (e.g., *Updated 4 weeks ago*).
 - View all: Click the blue View all → link to open up the complete knowledge module.
-

Left Navigation Sidebar

Quickly navigate between specific strategic tools via the left-side index:
